

Bou-tique \bü-tĕk\ *n* : a small company that offers highly specialized services.

IPParalegals is a bona fide boutique Intellectual Property prosecution paralegal services firm. Providing IP practices with live and definitive prosecution paralegal stability has been our firm's hallmark since 1996.

As authentic patent, trademark & copyright prosecution paralegal services industry pioneers, IPParalegals has the specialized infrastructure necessary to solidify our clients' practices. IPP's operations are forged from decades of hands-on know how, enabling an all-in conviction to best practices and error-free work.

IPParalegals possesses extreme knowledge in domestic, foreign and PCT patent laws, rules & formalities ... an expertise-driven human intelligence advantage that software-driven artificial intelligence can only embellish. We are specialists at providing our clients with whatever is ethically necessary to ensure

their success.

Unrelenting deadline management and diligent communication are core values within IPParalegals. Values which espouse direct and personal client & associate correspondence as well as authoring professional communiqués, form letters and responses. We are as close to being just down the hall as you will find.

With an influential understanding of how IP prosecution works, we have developed access points and business relationships worldwide. Our globalization is founded on extended availability & a steadfast commitment to our clients. So whether we're on the phone with the USPTO at the crack of dawn, pushing through an 11th hour signature confirmation in Abu Dhabi, or expediting the issuance of a filing receipt from Shanghai - IPParalegals gets it done.

Our services range from docket administration and application filing

through authoritative prosecution and full portfolio management. Both hourly and flat fee filing rates are available.

Large or small, new or established ... if your goal is to secure an adept and concentrated IP prosecution paralegal capacity, then your objective is definitely IPParalegals.

At IPParalegals, expertise is our core competency based upon decades of front line precision and know-how. Knowing precisely how to trace every matter history back to its genesis. Knowing precisely how to diagnose, evaluate and chronicle every process step that has been followed - or missed. Knowing precisely how to formulate and communicate every possible scenario so our client attorneys can best counsel their clients. Knowing precisely how to get it done right the first time - then doing it right every time. We are true masters of the IP prosecution paralegal craft, and nothing within its ethical scope is beyond us.

Why Choose IPParalegals?

PROFICIENCY

IPParalegals has the resources and infrastructure in place right now to reliably provide everything from docketing through advanced non-lawyer prosecution. You can expect stability, diligent communication, unrelenting attention to detail and disciplined matter management.

INTEGRITY

Integrity is a legal imperative. Therefore IPParalegals does not have, nor have we ever had, an attorney presence with a vested interest in our operation. Welcoming potential conflicts of interest is not how we do business.

Each client's matter is handled in complete isolation to preserve confidentiality. TLS encrypted data transfers, ISO 27001 certified data storage (insured to \$1M) and full PCI DSS compliance ensures the utmost safety of client information.

VALUE

It's all about maximizing return on your investment. Cost-effectively reinforcing each client's practice with an immediate, acute and personable paralegal faculty is how tangible value happens with IPParalegals. Premium service at competitive rates means you can afford to have it done right the first time.

RESULTS

As industry pioneers, IPParalegals has been committed to providing "best of the best" support for over a generation. We care about what IP prosecution practices need. Which is why we staff paralegals instead of representatives.

While utilizing a lavish library of leading research tools to achieve output, software isn't the brightest or sharpest tool in our bag. Our accomplished nonlawyer professionals are. Human intelligence makes all the difference.
